## CHARITY AUCTION

The Tulips Ball is an elegant annual event that brings together people from all corners in support of charitable causes, combining the elegance of a ball with the excitement of a captivating auction.

In 2022, the Prince Nicolae of Romania Foundation was the beneficiary, raising an impressive 11,500 euros towards planting one million trees in Romania to combat deforestation.

Last year, the Queen Geraldine Foundation, endorsed by His Royal Highness The Crown Prince Leka II of Albania, received support, aiding children with special needs, poverty alleviation, and women's empowerment programs in Albania. The Tulips Ball auction raised over 22,000 euros for the Queen Geraldine Foundation.

Over the years, the Tulips Ball has also lent its support to the Order of Malta, JANS DAG (a project of the Order of Malta and the Johanniter Order), and Stichting het Vergeten Kind.

This year, we are thrilled to be supporting Johanniter Nederland. The Johanniter Order is known for its contemporary approach to assistance, being pragmatic, goal-oriented, and inclusive. As an umbrella organization, the Johanniter Order initiates activities and is actively involved at the governance level in several institutions. The implementation of volunteer activities is delegated to Johanniter Netherland (Stichting Johanniter Hulpverlening).

Additionally, we are proud to support the Conforte Symphonic Orchestra from Belgium, renowned for its exceptional talent and dedication. Supporting self-sustaining orchestras like Conforte is crucial, as they depend on funding for expenses such as venue rentals, instruments, and professional conductors. By backing them, we ensure they can continue to flourish and share their artistry with the world. The first 9,000 euros raised at the charity auction will go directly to the Conforte Symphonic Orchestra to help them achieve their goals for this year.

The event seamlessly blends fine dining, dancing, and philanthropy, inviting guests to be part of a transformative movement. For those interested in contributing, please contact us at [info@tulipsball.com](mailto:info@tulipsball.com) to learn more.
